

## **Health Insurance**

Medicover is a medical expenses insurance policy available exclusively to students travelling to Ireland from overseas to undertake a course of study at an approved educational establishment. Medicover is organised through Linguaviva's insurance broker, O'Driscoll O'Neil.

The policy provides cover for medical expenses incurred whilst in Ireland arising from any accident or any illness requiring hospitalisation to a limit of €2,500,000 during the period of insurance.

The premium is €125 for any period up to one year. Cover cannot be purchased for more than one year at a time.

Medicover does not provide cover for any pre-existing illness known to the insured person at the time of purchase.
