***Language Exchange:** Set up like 'speed dating', you always sit opposite a native speaker of the language you are learning. You will speak English for 5 minutes and then the other language for 5 minutes and then move on to the next table. It is a great way to improve your language in an organised and easy going manner. It is also great for networking and meeting new people. The exchange caters for all levels, whether you have just started or are fluent you can benefit. There is between 65 and 110 people at each event.
