## Testimonials

The people at Point Campus are central to what makes it Dublin's best student accommodation, check out what residents and staff have to say about their experience.

One of the best student accommodation in Dublin. It was one of the best decision to choose Point Campus over any other student accommodation out there in Dublin. Even though it was far from my college, but for the facilities, vibe and lively life there, it's worth investing stress-free. Staff is supportive, friendly and helpful. I'd recommend this place to anyone who's new to Dublin, just go for it without any second thoughts."
